

Submission of Full Papers

Dear Sir / Madam,

Thank you for your attention for China Wind Power 2009. Papers will be presented in plenary, oral and poster sessions and all presented papers will be collected into the printed proceedings. So, all papers should follow the below instructions and be emailed with author's brief biography to paper@chinawind.org.cn by **August 31, 2009**.

Guidelines for Full Paper Submission

1. Language. All papers will be English.
2. Length. All papers should be within 6 pages of A4 size paper.
3. File Format. Papers should be prepared and saved in Microsoft Word 97 or a subsequent edition.
4. Typing Procedure. Manuscripts should be typed single spaced on only one side of A4 size bond paper. Set your top, left, and right and bottom margin in 2.5 cm (1 inch).
5. First Level Headers. TIMES 14 points bold, in upper and lower case. First Level Headers should not be more than two lines.
6. Second Level Headers. TIMES 12 points bold, in upper and lower case. Second level heads should not be more than one line.
7. Third Level Headers. TIMES 11 points bold, in upper and lower case.
8. Normal Style: Normal Style is TIMES 10 points. Set the spaces before and after the paragraph to 3.
9. Title, Authors and Affiliations. The main title of the paper should be treated as a First Level Header, and centered. After leaving a blank line (space), type authors' names (initials of first names and full surname), affiliations and short address including the city, country, telephone number/fax number, and e-mail address in Normal Style.

10. Abstract. A short abstract (not exceeding 150 words) should follow the authors and affiliations with a blank line in between. Type "Abstract" in Normal Style bold, followed immediately by the abstract's body text in Normal Style, italicized. Indent left and right by 0.6cm.
11. Keywords. Keywords should follow the abstract and be typed the same as the abstract, separated with "," and with no more than 5 words.
12. Units. The use of SI units (System International Units) is recommended. If other units are used, please note the SI equivalence afterward, in parentheses.
13. Text. Please use Normal style (TIMES 10 point) for text. Between paragraphs, do not insert blank lines.
14. Mathematical expressions. They should be numbered consecutively with numbers in brackets, for example: (1). For clarity, one blank line should be left above and below the mathematical formula with 1 cm (0.4 inch) left indent.
15. References. All references should be listed at the end of the manuscript in the order they appear in the text. Within the text, they should be numbered consecutively in square brackets, for example, [1]. Do not use superscripts to preserve legibility. References are in TIMES 10 points.
16. Graphics, Figures and Tables. All graphics must be saved in a separate TIF format file and linked to the MS Word document. Graphics must be prepared in the right size before inclusion in the final document. Figures must be numbered as referred to in the text. They must have an explicit caption (Normal style). Tables must have a title (Third Level Header) and be numbered using numerals (1,2,3,4....)
17. Please email your paper to paper@chinawind.org.cn. For further information please contact Ms. Guoxu & Ms. Wangyan at 86-10-59796665, extension number: 3972
